MEMORANDUM

To: All Promoters
From: Matt Byrd, Executive Director, Kentucky Boxing & Wrestling Commission
Subject: COVID-19 Emergency Restrictions.

In continuation of our response to lessen the impact of the COVID-19 emergency and to protect and safeguard the public health, safety, and welfare of the citizens of the Commonwealth of Kentucky, it is necessary to adjust certain KBWC-related rules on a temporary and short-term basis. This memo updates information regarding temporary restrictions for boxing and wrestling in the Commonwealth.

Restrictions beginning Jan. 1, 2020:

- Capacity of all venues will be limited to 25% of the maximum allowed capacity
- All food, beverage, and alcohol sales will be terminated
- These restrictions will take effect immediately on the 1st of January and will remain in place indefinitely

We regret that public health concerns affect your business and look forward to the day when these restrictions are unnecessary. Until then, events under our jurisdiction must comply with the rules. We will enforce the restrictions, but we are happy to work with you to help you understand and comply with the requirements. For questions, please email us at kbwc@ky.gov.

Thank you.
